

NEWS BRIEF

“ Live communion ,celebrate Family”

March – April 2018

Issue - No. 79

“The truth will set you free” (Jh 8:325)

Communication is part of God’s plan for us and an essential way to experience fellowship. Made in the image and likeness of our Creator, we are able to express and share all that is true, good, and beautiful. We are able to describe our own experiences and the world around us, and thus to create historical memory and the understanding of events. But when we yield to our own pride and selfishness, we can also distort the way we use our ability to communicate. On the other hand, when we are faithful to God’s plan. Communication becomes an effective expression of our responsible search for truth and our pursuit of goodness. Peace is the true news. I would like, then, to everyone to promote a journalism of peace. A journalism created by people for people, one that is at the service of all, especially those- and they are the majority in our world- who have no voice, and we must turn to the Truth in person.
